YEAR FOR PRIESTS

The missionary dimension of the priesthood is born from the priest's sacramental configuration to Christ. As a consequence it brings with it a heartfelt and total adherence to what the ecclesial tradition has identified as *apostolica vivendi forma*. This consists in participation in a "new life", spiritually speaking, in that "new way of life" which the Lord Jesus inaugurated and which the Apostles made their own. Through the imposition of the Bishop's hands and the consecratory prayer of the Church, the candidates become new men, they become "presbyters".

Precisely to encourage priests in this striving for spiritual perfection on which, above all, the effectiveness of their ministry depends, I have decided to establish a special "Year for Priests" that will begin on 19 June and last until 19 June 2010. In fact, it is the 150th anniversary of the death of the Holy Curé d'Ars, John Mary Vianney, a true example of a pastor at the service of Christ's flock.

The priest's mission, ..., is carried out "in the Church". This ecclesial, communal, hierarchical and doctrinal dimension is absolutely indispensable to every authentic mission and, alone guarantees its spiritual effectiveness. ... As Church and as priests, we proclaim Jesus of Nazareth Lord and Christ, Crucified and Risen, Sovereign of time and of history, in the glad certainty that this truth coincides with the deepest expectations of the human heart. In the mystery of the Incarnation of the Word, that is, of the fact that God became man like us, lies both the content and the method of Christian proclamation. The true dynamic centre of the mission is here: in Jesus Christ, precisely. The centrality of Christ brings with it the correct appreciation of the ministerial priesthood, without which there would be neither the Eucharist, nor even the mission nor the Church herself.

A LETTER FROM THE BISHOP

Dear Brothers and Sisters in Christ,

In April 2008, Pope Benedict XVI made a historic journey to the United States. During this time, he made a call to action for the Church in the United States: "In the finest traditions of the Church in this country, may you also be the first friend of the poor, the homeless, the stranger, the sick and all who suffer. Act as beacons of hope, casting the light of Christ upon the world." –Pope Benedict XVI, Homily at St. Patrick's Cathedral, New York, April 19, 2008

Every year, when the Peter's Pence Collection is taken up around the world to support the works of the Holy Father, Catholics in the United States are extraordinarily generous. The proceeds of this Collection are used to provide emergency funds to those who suffer from oppression, disease, war, or natural disaster.

Let us be beacons of hope to those of our brothers and sisters who are most in need. Let us answer the call to cast the light of Christ upon the world. I ask you to be generous in the upcoming Peter's Pence Collection in your parish. Together, let us ask the Lord to bless the Holy Father, us, and all those in need throughout the world. This year, the collection in our diocese is scheduled for June 27-28, 2009. I ask you to consider contributing to the Collection, and I am grateful for your generosity. Together let us ask the Lord to bless the Holy Father and us, as well as those in need throughout the world.

Sincerely yours in the Lord,
 Most Reverend John H. Ricard, SSJ
 Bishop of Pensacola-Tallahassee
