*Altar Servers:*

There is a new guide for altar servers in the entry of the Church. We are beginning a new system which will have a Principle Server and a Server. All servers are asked to pick up a guide and read the responsibilities for the Principle Server and Server and decide which ministry you would like to have. Scott Wolf has volunteered to coordinate the servers. I ask students who would like to be a Principle Server to contact Scott to go over the responsibilities.

The Parish Council is committed to operating with a real budget. The only way to do so is to think ahead and budget projects accordingly. Any parishioner who has an idea, project, suggestion, special request/need or anything parish-related they would like considered as a budget item, please advise any member of the Parish Finance Committee: Pat O'Shaughnessy, Ann Heitstuman, Tom Herres or Terri Jeffreys. The budget planning meeting is scheduled for April 20.

Parish goals were set by establishing committees to work on a variety of areas:

- A) Dale Heitstuman and Ed Crawford will form a maintenance committee.
- B) Cindy Klaveano and Ann Heitstuman will work on a parish photo directory and a parish ministries/associations directory
- C) Mary Flerchinger and Donna Hunt will continue to work on the parish web site
- D) Barbara DeHerrera and Tom Herres will continue work on establishing a cemetery/church foundation

Please remember in your prayers the faithful departed of our parish and please include Rita McGrann who had been a member of our Parish and who "made her transition to heaven on March 27, 2006 following a stroke"
