Pictures from Vacation Bible School - Holy Rosary Parish

Dear Parishioners,

Photo directories are not only useful now, they are one of the best historical resources for the next generation of parishioners when they look back on our times as the old times! Photo directories are a snapshot of the parish. We keep the wonderful picture of all the parishioners on the 50th anniversary of the parish (1928) in the entry of the Church, our new directory will be just as interesting 80 years from now!

Next week a letter will go out to parishioners who have not had a chance to have their picture taken or who have not heard about our work on a directory. That includes several of our active parishioners, we have such great participation now and hope through this letter to get as close to 100% participation as possible.

We are also going to include parishioners who have not been active. We are sending the letter to anyone who was baptized Catholic and has not joined another Church. This invitation may be a surprise to some; it is simply a recognition of the bond of baptism, a bond created by God not by us. God has made us brothers and sisters in Christ, and our hope to make sure all know they are still our brothers and sisters in Christ, still a part of this community because of this bond God has made. I ask all the members of the parish to encourage all to be included in our director and to explain our project, not just a useful tool now but a gift to future generations. Assure anyone it was not a mistake that they received an invitation to include their picture in our directory, we truly want them to be included.

Thanks!

Fr Bob
