A Family Perspective by Bud Ozar

Parenting is a constant state of uncertainty. Like the fig tree in today's gospel, there are "signs" we look for and "angels" who come into our lives to give us guidance. But for the most part, parenting is a journey of uncertainty where we experience "darkness, being shaken, trials and falling out"; a journey demanding faith in ourselves and in our children.

If your star is red, you will find the code on the red list. Please sign the star's code you have selected. Thus if you lose your star, call Barb Savage, phone 744- 2539. and she will be able to help you. When you return your gift if you can't locate the star, just put your last name on the gift. ***Return your gift boxed, unwrapped and labeled with star as soon as possible, but no later than December 6th at 12:30pm.
