THANKS ~~

We would like to thank everyone for their many prayers, visits & many other kindness at the time of Hubert's illness and death. You will always be remembered by us. Thank you.
...Della Zak and family

My wife Valerie and I would like to express our very deepest appreciation for all the good wishes, condolences, cards, memorials and especially the Masses and prayers that are being offered for our son Sean and for our family. In a word we have experienced the love of God through the Mystical Body of Christ, His Church.

Everyone has a little different way of dealing with the intense suffering we experience with the loss of a child or loved one. The Body of Christ is our support group. Just as it is with our human bodies when we are hurt or sick, our immune system immediately responds to heal or repair the damage and to ease the pain; so it is with the Church when the members of the Body of Christ rush to those who are suffering with their love, prayers and support. We cannot begin to thank you all for what you have done for us, other than to say that surrounded by you we are most truly blessed.

Love in Christ,
Deacon Jim and Valerie Hunt
