

*Do you enjoy serving God by teaching others? Do you want to get to know more people in your parish? Do you have the desire to share what you know and/or learn more about your faith? If you answered yes to any of the above questions then you're a perfect candidate for volunteering to teach faith formation. Anyone from 9<sup>th</sup> grade on up is welcome to volunteer. You have the option to teach individually or as part of a team every week, every other week, every other month, or half the year; there is a total of 20 weeks. The Catechist Guides are excellent; they explain each lesson in great detail. All supplies will be furnished, thus there's no cost to the teacher. And the program is free for the children whose parents volunteer their time by teaching a faith formation class at least half the year. That's a \$20 per child savings! All we ask from you is that you come prepared each week, and that you give appropriate notice if you are unable to teach your scheduled class. If you are interested in volunteering, please sign up in the back of church or contact Teresa Sisler (451-7481) or Jill Kubicek (451-1859) Or is you'd just like more information, please contact Teresa or Jill.*
