**Always Remember**

Your presence is a present to the world.  
You're unique and one of a kind!  
Your life can be what you want it to be.  
Take the days just one at a time.

Count your blessings, not your troubles.  
You'll make it through whatever comes along.  
Within you are so many answers.  
Understand, have courage, be strong.

Realize that it's never too late.  
Do ordinary things in an extraordinary way.  
Have health and hope and happiness.  
Take the time to wish upon a star.  
And don't ever forget...for even a day..  
How very special YOU are!!

May good things always come your way.  
God Bless You!
