Thank you from St. Isidore School!
We received many Christmas gifts from Holy Trinity parishioners, and we want you to know how much we appreciate your generosity. The students love the sleds and shovels, and the office sure appreciates the stamps, copy paper, envelopes, gift cards, etc. Your gifts made Christmas extra merry at St. Isidore School. Thanks!

Christmas Trees are round, symbolizing the eternity of no beginning and no end. They form an "arrow" straight to heaven, and are ever-green; reminding us that love is forever.

Lights remind us that there is hope. Candles and fireplaces remind us of both warmth and light. Light always prevails in the darkness.

Music reaches the soul in ways that words alone cannot. If it makes you cry, remember that tears often can dilute the pain.

Gift-wrapping reminds us that there are still wonderful things in our future that we haven't seen yet.

**The child to be born will be holy
He will be called the Son of God
May the Peace and Joy of the Holy Family
be with you
And those you hold dear.
Wishing you a World of Hope and The Promise of
Peace during this Season
and throughout the New Year.**
