SOME NOTES FROM FR. JOE:

1) RIDICULOUS! That is my feeling about all the politicians in Springfield! Deaf people pay taxes; people with disabilities pay taxes. Families with Special Education children pay taxes. Teachers and sign-language interpreters pay taxes. Yet, the State of Illinois politicians want to “balance” the state budget how? By cutting services to deaf people, people with disabilities, Special Education programs, programs for people with mental illnesses! Agencies that serve poor people, deaf people, people with mental-illnesses, people with disabilities will have less money. Schools will have less money to pay for teachers and interpreters. WRONG!

Tell your STATE SENATOR & STATE REPRESENTATIVE that you want a FAIR budget to provide necessary services, especially to people in need. MON, 6/22, 4-6pm: Community Meeting about these “cuts”. Will-Grundy CIL, 2415 Jefferson, JOLIET. 630-405-6256vp.
