

Family participation Form

St. Agnes Parish
Summer Catechetical Program
2009

All participating families are required to volunteer at least one day per child during the hours your child is in class. Another family member, such as teenager or grandparent, may do the volunteering for you. You might even barter with a neighbor to substitute for you! Those who teach the full session will be given first place in registration plus free tuition. Teachers will attend two preparation days before we begin. The tuition is the same for all programs, \$100, which is payable at registration time.
