

## **St. Clare Of Assisi Parish Apostolate Committee**

### **Mission:**

We carry out the primary mission of the Church to evangelize. We do this through charity, justice, peace, and assisting the poor and the needy on a local, national & international level. We also strengthen the fellowship within the parish, Diocese & with people of other faiths.

### **Goals:**

#### ***Parish as a Community***

- Expand the parish's capacity to:
- Welcome members of the community
- Provide a sense of fellowship
- Increase the level of comfortability
- Strengthen the RCIA Program to have better ties between parishioners, parish leadership & participants
- Organize outreach programs for the unchurched people in the area and inactive members of the parish
- Respect diversity by celebrating old traditions and creating new events to establish new Church traditions

#### ***Parish as a Community of Service***

- Support the material, spiritual & emotional needs of the parish and community
- Serve as an advocate for justice within the parish and community by working with parishioners, lay & religious members of the community & local organizations
- Create an awareness of global injustices. Also, provide parish/community financial or material support to one or more of these issues
