## **WHY DO I NEED TO REGISTER IN A PARISH?**

Registration to a particular parish is required by Church Law.  
Registration will give me a proof of residence. This is called a 'domicile' in Church Law.

Proof of residence (domicile) is necessary for me to have a proper pastor and exercise my rights. My 'rights' as a Catholic may only be exercised by having a proper pastor. Some of my rights as a registered Catholic are:

- 1). My right to Baptism, Confirmation, Penance, Mass, Anointing of the Sick and finally my funeral may be celebrated in my parish Church.
- 2.) My right to be a Sponsor for Baptism and Confirmation or act as a Witness for a wedding.
- 3). My right to join those parish organizations and ministries that are proper to my state in life and personal situation.
- 4). My right to have my children instructed/educated in Religious Education (formation) programs in accord with the Law of faith and the Church.
- 5). My right to apply for any Diocesan program and/or Catholic education in conformity to the Laws of the local parish and the Diocese.
- 6). Finally, with registration in a parish, I receive residence (domicile) status in the Church. Without registration, I would have difficulty proving my status in the Church and could not be given letters and/or permissions for the above privileges.

### **VERY IMPORTANT!**

**Note:** My right to these privileges is based on the assumption that I qualify for the various Sacraments, ministries, and programs with the required preparations, my own particular situation and practice of my faith according to Church Law both Universal and Particular (local Diocese).
