

Caring Hands Outreach Center has received their work permits and is now ready to start work at their new location **201 9th St. NE** in Altoona (the old Zena's) this Saturday, August 1. They will be working each Saturday, August 1, 8, 15 and possibly beyond. There will be two shifts each day; 8 to noon and noon to 4. We do not have confirmation on any weekday evenings yet.

If you or anyone you know can help any of those Saturdays please get their names, phone numbers, date and shift choices to Central Place, 266-6795 as soon as possible. They will coordinate all the volunteers.

Construction work is headed by Tom Duer from Ss. John and Paul Parish and he is ready to begin this Saturday and will need help. Thank you.
