GRAND KNIGHT'S REPORT

Brothers,

As we enter a new calendar year, still celebrating the birth of our Lord and Savior, let us try to comprehend the magnitude of the gift God has given us. It is the journey of our life to understand our faith, our *gift* of salvation that will define our legacy. Never lose sight of the goal; to live in such a manner as to, in our meager, unworthy effort, to prepare oneself for the gift of eternal life. We can never be worthy; we can only accept what God has sacrificed for us. So, make yourselves more receptive to the call to serve. Serve your God, serve your faith, your community, your fellow man.

We have before us a full calendar of events in the coming months, as mentioned last month. We know the success of these programs depends on your good will, your response to serve your community. The few cannot carry the full weight for the many. Our fraternity was established to support each other; service to others. As a whole, we set goals to assist those in our community who are in need. Our programs are designed to generate funds for that goal. Our goal cannot be achieved without your participation.

At the next meeting (January) we will have an assignment sheet with specific functions and tasks that need to be accomplished for the BBQ Cook-off. Please volunteer to help in one or more ways for this event. Secondly, we are looking for a Handicap Drive Chairman this year. We need one person to take it on and two more to assist in planning and organizing. Last year, no one stepped forward to do this. Please, step up and take this on. It is one of the most impor-

tant and vital efforts we undertake every year.

We have become painfully aware of how tenuous life can be. We have lost brothers in the past few weeks. Their families stand in need. We had taken a commitment in February to build a fund to assist widows and families of deceased members. We have, to date, failed our brothers and their widows. We must contribute regularly to this fund. We should, at any time, have at least \$3,000.00 in the fund. Please contribute by mailing us a check (made out to the Knights of Columbus). In the memo, write in *Knights Survivor Benefit Fund*. You can contribute any time by contributing at meetings, at events or in passing. The Deputy Grand Knight, Treasurer or Financial Secretary can accept donations. It is preferable that you pay by check when possible. We know not whose family will be in need next. It could mine, or yours. Contribute, please.

May God bless us all and our community of faith as we enter a new year.

Yours in Christ,

Ron Winn

DN. PAUL'S CORNER

Dear Brothers,

Looking forward to 2009, let us reflect on where we have come from. We have celebrated Christ's coming into this world, and now we continue to celebrate it throughout this Christmas season, which continues until the Baptism of Jesus, Jan. 11th. We are called to celebrate Christ coming into this world for more than just Christmas. This

has a special meaning for all of us. We know the saying, "Peace on earth, and good will to all men." This speaks about how Christmas should make us all peaceful, giving, compassionate and so forth. Christ calls us to live that out each and every day of our lives. May we bring Christ's peace to all the world and allow the will of God to reign in our hearts.

Tootsie Roll Drive is coming soon. We need help helping others realize their best possible potential

FIELD AGENT

Seven Resolutions for the New Year

Schedule a visit with your Knights of Columbus field agent. First things first: Life insurance can protect your family if something should happen to you. Before you do anything else, be sure that your family will be protected – come what may. As your field agent I can provide you with a no-obligation family needs analysis. Just give me a call!

Don't spend more than you earn. We all expect our government to balance the budget, but what about our own personal finances? Living within your means is actually more important than earning a big income to gaining a sense of security and personal satisfaction.

Save more by avoiding unnecessary expenditures. Unless you achieve self-discipline, you'll never be able to save for the future. If it's a mystery just where your money goes, try saving the receipts for every purchase you make during a month.

Take advantage of all savings options available to you. Everybody likes ways to cut taxes - and you probably have one or more savings options that can cut your taxes for you. (P.S. Ask your Knights of Columbus agent about tax-deferred annuities, IRAs and Roth IRAs.)

Adopt a long-term perspective. Beware of get-rich-quick schemes -few of them work for ordinary people. Instead, patience is the more productive approach - and it requires less

of your daily energy as well. A long-term outlook is even more crucial if your financial goals (higher education for children, retirement) are well in the future.

Trim down your high interest debt as fast as possible. Would you have bought that \$1,000 big-screen TV if the price were \$1,180? That's what you'd pay if you added the 18 percent annual interest typically charged by a store credit card. Even if you're loath to tap your savings account, you'll come out ahead by using it to liquidate a high-interest debt that's been hanging around for months...if not years.

Be prepared for unexpected expenditures. When these occur, it certainly helps to

have some money in reserve. Some examples of these expenses might include a tax bill, vehicle repairs or purchases, moving costs, unanticipated home repairs - maybe even a discretionary purchase, such as a big-screen television.

May God bless you all,
Jeff Fischer, FICF, LUTCF

"A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer."

COMMUNITY DIRECTOR

COMMUNITY REPORT DAN ARNDT

We are going to try and present a Savings Bond to the first baby born New Years 2009. This is to present our Pro-life stance. I hope it to be \$100 and hope to get reported in paper.

The funds for the bond will come from the profits from the pork roast. If we still have enough funds we will also recognize the first baby born on Jan. 21st, which is the anniversary of Roe.... Our next Community Park Ave clean-up will be Sat. Jan. 17th. with time to be announced at later time.

Congratulations To SK Norm Champagne

Our Sir Knight for The Month Of January 2009

Hear ye, hear ye Brothers,

The mark of the Christian is the willingness to look for the Divine in the flesh of a babe in a crib, the continuing Christ under the appearance of bread on an altar, and a meditation and a prayer on a string of beads - Archbishop Fulton J. Sheen...

This is who we are as Catholic men serving the Church through our membership in the Knights of Columbus. We are in service for each as we are in service to all. May we all have thoughts of the Christchild and let that bring peace in our minds and hearts.

Merry Christmas!

DEPUTY GRAND KNIGHT AND PROGRAM DIRECTOR'S REPORT

Deputy Grand Knight & General Program Director

Brother Knights and Ladies, let me take this opportunity to wish each and every one of you, and your families, the best of everything in the coming year.

Recently, all of you who have an e-mail address were sent a copy of the 'Proposed Council Programs and Socials' (our Calendar of Events) for the remainder of the Council year (which ends June 30, 2009). If you took the time to download it and review it, you'll notice that we have many activities going on in this Council - some of which require many volunteers - such as a golf tournament, a BBQ Cook-Off Competition, our annual Handicapped Drive (formerly known as the Tootsie Roll Drive). If you don't have e-mail service, call me at 995-8890 (leave a message if we can't take your call) and I'll see that you get a paper copy.

These activities **require 'participation' by the membership.** It is **not** up to the Committee Chairman, the General Program Director or the Grand Knight to do the job! When a Committee Chairman asks for volunteers, he should **not** have to call you and ask for your help. **You** should be calling **him** and **offering** to help. So **please**, Brother Knights, step forward and volunteer your time. You understood when you joined the Order, that this is a volunteer organization. That doesn't mean that it is up to **others** to volunteer; it is also up to **you!**

Gentlemen, I think it's time for some soul searching. We have over 200 members of this Council living within easy driving distance of the Parish. Yet, we have the same 20 to 30 members doing all of the Council's work. Where are the rest of you?? If you are seriously ill, that's one thing. If you aren't, anything else

is just an 'excuse'! As the Church Activities Chairman pointed out in his article in the November Newsletter (**did you read it?**), 'we all have commitments'. Are **yours** more important than those of your Grand Knight, your Deputy Grand Knight/General Program Director or your Brother Knights who are Committee Chairmen? After all, they have jobs and families too!

There's more to being a member of the Knights of Columbus than just paying your dues. Why did you join the Knights of Columbus? Just so you can say, "I'm a member"? I don't think so. I believe you joined because you wanted to help make our community a better place to live, and our Parish a more vibrant faith community. There's an old adage; if you don't get anything out of the Knights of Columbus, it's because **you** aren't putting anything **into** the Knights of Columbus! So, why not **get involved?** You might find it to be a **very rewarding** experience!

All we ask of you, Brother Knights, is **24 hours** of your time. That's right, 24 hours **a year!** That's all!

12 hours a year reading the weekly Parish Bulletin, this Council Newsletter, and the monthly 'Columbia' magazine;

2 hours a year volunteering at the Council's annual drive for people with intellectual disabilities (we used to call it the Tootsie Roll Drive);

2 hours a year attending (with your family) two Council Corporate Communion Masses;

2 hours a year on a Council-sponsored Church, Community, Council Family or Council Youth project of your choosing;

2 hours a year attending one Council meeting (if it's a well run

meeting, you might even decide to come to a second one);

4 hours a year enjoying (with your entire family) a Council social function such as our monthly Family Breakfast, a dinner, dance, picnic, etc.

There are 8,760 hours in a year. Surely, you can spare 24 of those hours for the Knights of Columbus! Think of the difference you can help make in the community, by devoting just 24 hours of **your** year to helping your Brother Knights who are already involved.

It's time to **'suit up'** gentlemen. It's time for **you** to get into the game too!

Fraternally,
GENE SKALSKY

Deputy Grand Knight and
General Program Director

FAMILY

A short message this month hope you all had a very Merry Christmas and a Happy New Year. We will be starting some project right after the 1st of the year. Hopefully we will be able to purchase a banner for the Assembly. We lost two Sir Knights who went home to be with the Lord, Sir Knight Jim Eller and Deacon Dave Davey.

Thanks to all Sir Knights who participated in the funerals.

That's all for this month.
 Fraternally yours,
 John Recke, F.N.

Hope everyone had a happy and safe Holiday Season. Will be starting a New Year many thing's are planned for the next six months. Volunteers will be needed to help make all our efforts a success. Here's hoping you will be able to volunteer your time.

This will be a short message this month. We will all be active at the start of the New Year.

Fraternally yours,
 John Recke, Family Director

Brother Knights,

As you may all know, we are sponsoring our first Kansas City Barbeque Society sanctioned BBQ competition on the St. Rose of Lima Festival Grounds in March, 2009. This charity event has the potential of raising many thousands of dollars. With each year of success, it will grow and become an annual event that can, and will, be the envy of Northwest Florida.

Our largest obstacle is sponsorship funding. We need to raise almost \$10,000 to guarantee the prize money for the competitors. What we need from all of our Brother Knights is help in raising this money. We all know that asking for money is not on everybody's list of favorite things to do, but I believe that if everyone chips in and lends a hand in this endeavor, we will be successful. What we are asking is for you to approach people that you know, or people that you do business with in your everyday life, and ask them to support our program. We all know that, financially, it is getting pretty tight out there. I am not asking for you to dip into your own pockets, although we would not refuse the offer. If every one of our council members were able to collect just \$100 from a sponsor, we would have an overwhelmingly successful event.

At our first BBQ event, we had only a handful of council members that got out there to raise the money needed for prizes. It was a very hard and tiring process, and the results were far from what they could have been if all of our members had helped.

The proceeds of the event will be going to "The Freedom Alliance Scholarship Fund". This charity provides college scholarships for the children of our service members that have given their lives in defense of our country.

So PLEASE, Brother Knights, contact anyone you know, work for, or do business with, and ask them to support our BBQ event in any way they can.

Fraternally,

Jim Wayman

If you are a First Degree or Second Degree Knight and you wish to gain your Third Degree please contact me at papa6000@baker1.org or let me know when you see me. For First Degrees we must do a second degree exemplification before the Third Degree Exemplification January 25, 2009 at St Jude in Cantonment. If you are a new Knight and your first year of membership is not over contact me about the Shining Armor Award. A couple criteria is that you made your Third Degree and you proposed a new Knight. If you are in favor of expanding and renewing this Council prepare to participate in the Membership Blitz during March. Also be ready to help in some way with the Annual Knights of Columbus Blackwater River BBQ Fest the weekend of March 20th. If you agree with Pope Benedict XVI, as promoted by KofC Supreme, 'Follow Me - Help Us Build Up the Church and with GK Ron Winn's goal of recruiting 22 new members please contact me and offer your services. We will work out the details as necessary. If you are willing but not able for whatever reason contact me anyway. I'll be working on a list of items with details that will need your prayers. The family that prays together stays together and we are a family of brothers.

Prayer For Our Economy

Dear Father, in the Name of Jesus I pray for our Nation's economy. Father I pray you will raise up people of skill and wisdom who's decisions will affect that economy. Cause Congress to vote aright in these matters, give them foresight to enhance our nations future. Father, as the people of our Nation continue to finance the preaching of the Gospel and help the poor all over the world, I pray that You would continue to prosper us more and more.
