

Spiritual Warfare & Deliverance

Fall Sessions 2009

Fr. Mike Scanlan, T.O.R. and Randall Cirner said:
"Christians are caught up in a struggle between God and Satan. Satan is a ruthless and resourceful enemy and our implacable foe because we are citizens of God's Kingdom. Evil spiritual forces are at the root of many temptations, failure and difficulties we encounter in our lives."

Yes, we are in this struggle ... in this Spiritual Warfare! WE must fight back with the armor of God and the help of Mama Mary, Archangels Michael, Gabriel , Raphael, the saints and the angels.

No amount of deliverance can replace the central need in a person's life to accept the Lordship of Jesus and to live out the reality of that commitment in concrete terms. Deliverance is a gift which helps men and women to live an aggressive and effective Christian life. Getting freed from evil spirits is not an end in itself, but is a means to an end. The end is union with God, life with brothers and sisters, and preaching the gospel.
