

St. Mary's Church is pleased to invite you to become a member of a new distinguished group of supporters, the Our Lady of the Assumption Heritage Society. The society was recently established by the Finance Council to honor those whose planned gifts help in the continuing mission of St. Mary's Church.

Since 1845, parishioners have helped to continue the mission of St. Mary's Church through their generous donations. You can continue this strong tradition of commitment by creating your own legacy through the Our Lady of the Assumption Heritage Society.

It is through private, planned gifts that financial stability will be built. This will allow St. Mary's Church to continue its mission and programs throughout the community.

Besides the personal satisfaction of knowing that you are helping your church, members will have their name posted in the foyer of the parish community center and will be invited to an annual event as special guests of Father Charlie.

How do you join the Our Lady of the Assumption Heritage Society? Simply inform us of your decision to include St. Mary's in your estate plans. There are many ways that a donor may participate in planned gifts to support our mission:

-  a bequest, or provision in your will
-  a beneficiary designation of a qualified pension plan or IRA
-  a beneficiary designation of an insurance policy
-  a beneficiary designation of a life-income gift, such as a gift annuity that provides income to you during your lifetime.

Simply complete the below form, return it to us, and your legacy of helping St. Mary's Church will begin.

I have already...

- named St. Mary's in my will or estate plans.
- named St. Mary's as a beneficiary in a qualified pension plan or IRA.
- named St. Mary's as a beneficiary in an insurance policy.
- established a life-income gift naming St. Mary's as a beneficiary.
- Please contact me for more information.
