Quotes from SEAS 8th Graders that have taken student version of this seminar.

"Top 20 is a life tool that without it I would be blind right now. With this tool I am able to look at things in a more positive healthy way"-Lexie

"Wow-something finally makes sense"-Thomas

"Top 20 helps us improve our lives by making the most of every day:-Adam

"Top 20 is a great experience. Learning about the line has really helped me take control of my own life"-Nika

Since 2000, Top 20 Training has been empowering youth and adults to make a positive difference in the quality of their lives, relationships and experiences. The founders of Top 20 Training believe in the potential of each human being. Our training and materials provide easily understood and immediately applicable concepts that help individuals, families, teams and organizations develop their potential.
