

Immediate Action Request

Please take action on the State Budget Bill (HB1). Human service programs for Ohio's most vulnerable residents and parents who choose nonpublic schools for their children will be severely impacted if the proposed budget is passed. Students in an average-sized Catholic school will receive \$40,000 - \$100,000 less in resources and services in 2009/2010 unless the proposed changes are reversed.

Please contact your state senators, representatives, and governor.
