

SAVE THE DATE

**St. Bernard of Clairvaux
invites you to our
Parish Mission**

**Two Consecutive Evenings:
Wed., Dec. 2nd and Thurs., Dec. 3rd
(call your babysitters soon!)**

What is a parish mission?

- A time for YOU to reflect on your personal relationship with Christ, develop a deeper sense of parish community, and grow in your faith.
- A time for US as a community to join together in prayer, be encouraged in our faith, and respond together to God's call to our hearts.

This is a special opportunity....

Internationally renowned author and theologian, Christopher West, will be speaking about Pope John Paul II's teaching called *Theology of the Body*. He will unfold God's incredible plan for humanity, a re-discovery of the meaning and purpose of life.

Information can also be found on our website at www.stbernardparish.org and at the Theology of the Body Institute at www.tobi.org

Do not miss this invitation to participate with your fellow parishoners at St. Bernard's Church!

Registration information will be available soon.
