## Holy Comforter-Saint Cyprian Finance Council

The Finance Council consists of adult parishioners who assist the Pastor in the financial development, management, forecasting, investing, capital development, and the safeguarding of assets to assure the financial stability and growth of the Parish.

The council meets every other month with the Pastor.

Members of the finance council should possess skills such as the ability to accurately record financial transactions, excellent communication of financial information; experience in the preparation and implementation of a capital improvement plan (property); preparation of a five-year financial forecast; and preparation and implementation of an investment strategy.

If you would like more information, please contact the rectory office at 202-546-1885.
