Holy Comforter-Saint Cyprian Lectors

The HCSC Lectors are adults and youth who proclaim the Scripture readings at Mass with relevance, understanding and clarity. Lectors are trained to joyously proclaim the Scriptures and should possess a love for God's Word and a desire to know it more deeply. You should also have a clear speaking voice and feel comfortable and able to speak with confidence in front of people.

If you would like more information, please contact the rectory office at 202-546-1885.
